Kenapa desain kemasan itu penting?

Perhatikan gambar dibawah ini!

Produk di samping merupakan brand yang sama dan juga memiliki isi yang sama juga, Kira-kira jika Anda sebagai pembeli, kira-kira kemasan mana yang akan pertama kali Anda ambil? Jelas yang kanan, bukan?

Oleh karena itu

- O Desain kemasan bisa meningkatkan daya tarik konsumen.
- Selain Itu, desain kemasan bisa meningkatkan nilai jual.
- Tidak hanya itu, desain kemasan membedakan produk kita dengan kompetitor.
- Dan juga mudah diingat di benak konsumen Anda.
